

Internal Revenue Code Section 127(b)(2)

Educational assistance programs

(b) Educational assistance program.

(1) In general. For purposes of this section, an educational assistance program is a separate written plan of an employer for the exclusive benefit of his employees to provide such employees with educational assistance. The program must meet the requirements of paragraphs (2) through (6) of this subsection.

(2) Eligibility. The program shall benefit employees who qualify under a classification set up by the employer and found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)) or their dependents. For purposes of this paragraph, there shall be excluded from consideration employees not included in the program who are included in a unit of employees covered by an agreement which the Secretary of Labor finds to be a collective bargaining agreement between employee representatives and one or more employers, if there is evidence that educational assistance benefits were the subject of good faith bargaining between such employee representatives and such employer or employers.
