Reg. Section 1.338-10(a)(3)
Filing of returns

(a) Returns including tax liability from deemed asset sale.

(1) In general. Except as provided in paragraphs (a)(2) and (3) of this section, any deemed sale tax consequences are reported on the final return of old target filed for old target's taxable year that ends at the close of the acquisition date. Paragraphs (a)(2), (3) and (4) of this section do not apply to elections under section 338(h)(10). If old target is the common parent of an affiliated group, the final return may be a consolidated return (any such consolidated return must also include any deemed sale tax consequences of any members of the consolidated group that are acquired by the purchasing corporation on the same acquisition date as old target).

(2) Old target's final taxable year otherwise included in consolidated return of selling group.

(i) General rule. If the selling group files a consolidated return for the period that includes the acquisition date, old target is disaffiliated from that group immediately before the deemed asset sale and must file a deemed sale return separate from the group, which includes only the deemed sale tax consequences and the carryover items specified in paragraph (a)(2)(iii) of this section. The deemed asset sale occurs at the close of the acquisition date and is the last transaction of old target and the only transaction reported on the separate return. Except as provided in §1.338-1(d) (regarding certain transactions on the acquisition date), any transactions of old target occurring on the acquisition date other than the deemed asset sale are included in the selling group's consolidated return. A deemed sale return includes a combined deemed sale return as defined in paragraph (a)(4) of this section.

(ii) Separate taxable year. The deemed asset sale included in the deemed sale return under this paragraph (a)(2) occurs in a separate taxable year, except that old target's taxable year of the sale and the consolidated year of the selling group that includes the acquisition date are treated as the same year for purposes of determining the number of years in a carryover or carryback period.

(iii) Carryover and carryback of tax attributes. Target's attributes may be carried over to, and carried back from, the deemed sale return under the rules applicable to a corporation that ceases to be a member of a consolidated group.
(iv) Old target is a component member of purchasing corporation's controlled
group. For purposes of its deemed sale return, target is a component member of
the controlled group of corporations including the purchasing corporation unless
target is treated as an excluded member under section 1563(b)(2).

(3) Old target is an S corporation. If target is an S corporation for the period that ends on
the day before the acquisition date and a section 338 election (but not a section
338(h)(10) election) is filed for target, old target files a return as a C corporation
reflecting its activities on the acquisition date, including target's deemed sale. See section
1362(d)(2). For purposes of this return, target is a component member of the controlled
group of corporations including the purchasing corporation unless target is treated as an
excluded member under section 1563(b)(2).
