

Reg. Section 601.105(e)(iii)

Examination of returns and claims for refund, credit or abatement; determination of correct tax liability.

...

(e) The provisions of this subparagraph apply only to a case under the jurisdiction of a district director but do not apply to an Employee Plans case under the jurisdiction of a key district director as provided in § 601.201(o) or to an Exempt Organization case under the jurisdiction of a key district director as provided in § 601.201(n). The technical advice provisions applicable to Employee Plans and Exempt Organization cases are set forth in § 601.201(n)(9). The provisions of this subparagraph do not apply to a case under the jurisdiction of the Bureau of Alcohol, Tobacco, and Firearms. They also do not apply to a case under the jurisdiction of an Appeals office, including a case previously considered by Appeals. The technical advice provisions applicable to a case under the jurisdiction of an Appeals office, other than Employee Plans and Exempt Organizations cases, are set forth in § 601.106(f)(10). A case remains under the jurisdiction of the district director even though an Appeals office has the identical issue under consideration in the case of another taxpayer (not related within the meaning of section 267 of the Code) in an entirely different transaction. Technical advice may not be requested with respect to a taxable period if a prior Appeals disposition of the same taxable period of the same taxpayer's case was based on mutual concessions (ordinarily with a Form 870-AD, Offer of Waiver of Restrictions on Assessment and Collection of Deficiency in Tax and of Acceptance of Overassessment). However, technical advice may be requested by a district director on issues previously considered in a prior Appeals disposition, not based on mutual concessions, of the same taxable periods of the same taxpayer with the concurrence of the Appeals office that had the case.

(ii) Areas in which technical advice may be requested. (a) District directors may request technical advice on any technical or procedural question that develops during the audit or examination of a return, or claim for refund or credit, of a taxpayer. These procedures are applicable as provided in subdivision (i) of this subparagraph.

(b) District directors are encouraged to request technical advice on any technical or procedural question arising in connection with any case of the type described in subdivision (i) of this subparagraph, which cannot be resolved on the basis of law, regulations, or a clearly applicable revenue ruling or other precedent issued by the National Office. This request should be made at the earliest possible stage of the examination process.

(iii) Requesting technical advice. (a) It is the responsibility of the district office to determine whether technical advice is to be requested on any issue before that office. However, while the case is under the jurisdiction of the district director, a taxpayer or his/her representative may request that an issue be referred to the National Office for technical advice on the grounds that a lack of uniformity exists as to the disposition of the issue, or that the issue is so unusual or

complex as to warrant consideration by the National Office. This request should be made at the earliest possible stage of the examination process. While taxpayers are encouraged to make written requests setting forth the facts, law, and argument with respect to the issue, and reason for requesting National Office advice, a taxpayer may make the request orally. If, after considering the taxpayer's request, the examiner is of the opinion that the circumstances do not warrant referral of the case to the National Office, he/she will so advise the taxpayer. (See subdivision (iv) of this subparagraph for taxpayer's appeal rights where the examiner declines to request technical advice.)
